

# JJES EXPRESS

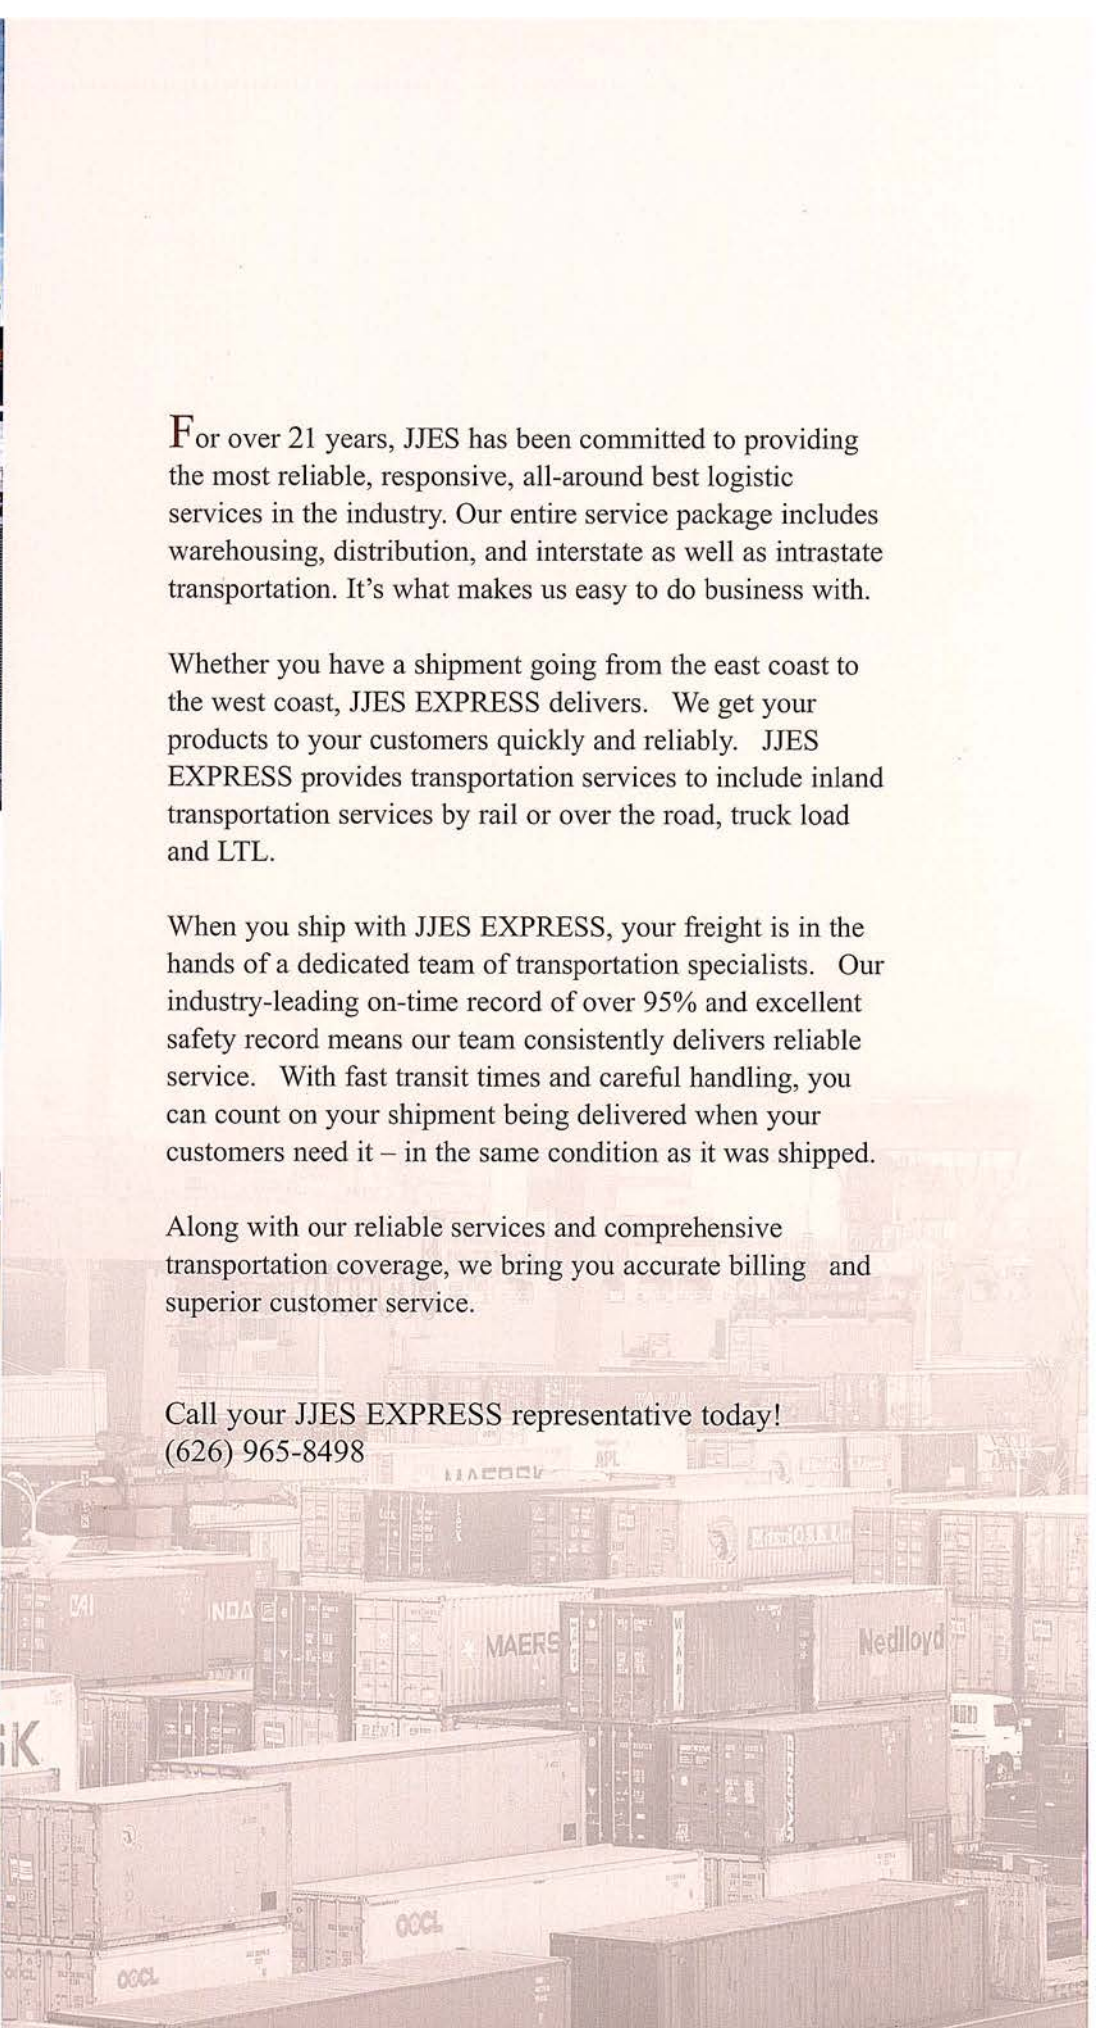

For over 21 years, JJES has been committed to providing the most reliable, responsive, all-around best logistic services in the industry. Our entire service package includes warehousing, distribution, and interstate as well as intrastate transportation. It's what makes us easy to do business with.

Whether you have a shipment going from the east coast to the west coast, JJES EXPRESS delivers. We get your products to your customers quickly and reliably. JJES EXPRESS provides transportation services to include inland transportation services by rail or over the road, truck load and LTL.

When you ship with JJES EXPRESS, your freight is in the hands of a dedicated team of transportation specialists. Our industry-leading on-time record of over 95% and excellent safety record means our team consistently delivers reliable service. With fast transit times and careful handling, you can count on your shipment being delivered when your customers need it – in the same condition as it was shipped.

Along with our reliable services and comprehensive transportation coverage, we bring you accurate billing and superior customer service.
